## February Lessons

In February we learned about "I Get to Be Me, You Get to Be You," the virtue of Humility, and St. Bernadette. During this unit, students discovered that beauty is found in the different ways God has made each and every one of us. By the end of this unit students were able to see how He made all of us unique for a reason and that our differences make us stronger! Students also learned about the importance of humility and learned about how St. Bernadette displayed humility. Humility is "Awareness that all one's gifts come from God and appreciation for the gifts of others." Be sure to ask your student what they learned about last month.
