Recent Lessons

In March and April we learned about "Stop the Gossip," the virtue of Trustworthiness, and St. Tarcisius. During this unit, students learned about how destructive rumors and gossip can be in friendships. Our key verse was Proverbs 26:20 "Without wood a fire goes out; without gossip quarrel dies down." Students also learned about the importance of trustworthiness and learned about how St. Tarcisius displayed trustworthiness by defending the Eucharist. Trustworthiness is "Acting in a way that inspires confidence and trust; being reliable." Be sure to ask your student what they learned about during March and April.

What have we learned about?
